

Collaborative e-platform for innovation and educational enhancement in medical engineering - CALLME (2022-1-RO01-KA220-HED-000087703)

Face-to-Face Project Meeting Minutes

Day 1, 13.11.2024.

Venues: Faculty of Engineering

University of Kragujevac

Participants: University of Kragujevac:

prof. Velibor Isailovic, Faculty of Engineering

prof. Vladimir Rankovic, rector of University of Kragujevac

Technical University of Cluj-Napoca:

prof. Sergiu Dan Stan, Department of Mechatronics and Machine Dynamics

senior lecturer Pleșa Alin, Department of Mechatronics and Machine Dynamics

prof. Emil Teutan, Department of Mechatronics and Machine Dynamics

Tudor Paul SCRIPOR, CEO of Toydy, inventor of the @Scripor Alphabet, investor

Time	Venue	Topic	Responsible(s)
10:00 – 12:00	Faculty of Engineering	Welcome and Introductions Brief introduction of participants and meeting goals. Action Item Review & Delegation Brainstorm solutions, assign tasks, and set clear deadlines, focus on critical project areas and challenges identified. Review all action items captured throughout the day. Assign deadlines for each action item. Communication	University of Kragujevac, Technical University of Cluj-Napoca
Welcoming and logistics provided by professor Velibor Isailovic, University of Kragujevac. Introduction of meeting participants and status update provided by professors Sergiu Dan Stan, Technical University of Cluj-Napoca and Velibor Isailovic, University of Kragujevac.			

Discussion on current open items and proposal of solutions to move on to the items of the second period of the project.

Focus now on the upcoming reporting and preparation of events/dissemination activities. Finalization of course modules by responsible partners.

12:30 – 14:00	University of Kragujevac	Welcome and Introductions Brief introduction of participants and meeting goals. Communication Discussions about future calls for projects and collaboration between universities.	University of Kragujevac, Technical University of Cluj-Napoca
Welcoming and logistics provided by rector of University of Kragujevac, professor Vladimir Rankovic and responsible person for CALLME project, professor Velibor Isailovic, University of Kragujevac.			
14:30 – 16:30	Restaurant Regent	Lunch	
Summary of the items discussed during the day by professors Sergiu Dan Stan, Velibor Isailovic and other participants from Romanian team: Pleșa Alin, Emil Teutan and Tudor Paul SCRIPOR.
